About Conference

Scitechseries cordially invites you to join us at the **“World Congress on Autism Research & Innovation” (Autism Congress 2026)**, scheduled to take place in **Paris, France** from **October 15–16, 2026** in a **Hybrid** format.

This hybrid event allows you to participate in-person in Paris, France or virtually from your home or workplace, offering global accessibility for researchers, clinicians, and advocates alike.

The primary focus of Autism Congress 2026 will be on the theme **“Bridging Science and Society: Innovative Pathways in Autism Research.”**

Autism Congress 2026 serves as a premier international platform that unites leading scientists, researchers, healthcare professionals, educators, policymakers, and innovators to exchange the latest insights and advancements in the field of autism. This timely event will spotlight cutting-edge discoveries in early diagnosis, intervention strategies, neurodevelopmental research, assistive technologies, and inclusive education practices.

The conference will feature distinguished keynote speakers, interactive panel discussions, oral and poster presentations, and a diverse exhibition of scientific and clinical innovations. It is designed to foster collaboration, promote evidence-based practices, and highlight global initiatives driving progress in autism understanding and support.

Join us at **Autism Congress 2026** to explore how scientific research and technological innovation can transform the landscape of autism care, advocacy, and inclusion worldwide.

GLIMPSES OF PAST EVENTS

OUR TESTIMONIALS

“ **Connie Rogers**, Institute of Integrative Nutrition, USA

Thank you for inviting me to join your event. I enjoyed being part of your team of professionals! There needs to be more group conferences like yours showing the world how to remain healthy and remove those things that can be harmful. ***** Five star!

“ **Sofica C Bistriceanu**, Academic Medical Unit, Romania

I am grateful for the opportunity to broaden my knowledge by listening to the data shared by famous physicians and nurses with decades of experience and beginners in this field worldwide. Various topics and presentation styles made it memorable, and I am eager to add other new reflective data..

“ **Vladimir Gorchakov**, Novosibirsk State University, Russia

I want to congratulate all conferees for big achievements in food science. The conference showed the relevance. Organizers of a conference deserve separate gratitude. Work of a conference took place according to the schedule. The indication of local time in the program for conferees is positively apprehended. All reports are synchronized on time. Reports were very informative and gave a lot of useful information.

“ **Andrey Pavlychev**, St. Petersburg State University, Russia

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

“ **Angela Allen**, NC State University, USA

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

“ **Weihong He**, Sichuan University, China

The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

“ **Ernesto Magallon Neri**, University of Barcelona, Spain

Thank you for all the attention received from all members of the congress!

“ **Anita Rakic**, Educational Institute for Public Health Splitsko-Dalmatian counties, Croatia

I really thankful for the opportunity to attend the conference. It was a great success.

“ **Koichi Shimizu**, Waseda University, Japan

It was a nice experience to present my work for the audience in the different fields from my specialty, or biomedical optics. I enjoyed the meeting and appreciate your arrangements..

“ **Sadeq Damrah**, Australian University, Kuwait

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

“ **Shirin Cantillon**, Warwick Medical School, UK

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“ **American University of Kurdistan**, Aree Saeed Mustafa, Iraq

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.

“ **Srinivasa Rao Pundru**, Mahatma Gandhi Institute of Technology, India

The quality of talks at ECRG 2024 is good. Almost all scientific topics which are discussed in this event are very much useful in professional development of researchers. The scientific committee did a good job in selecting the speakers as well as in conducting the event of ECRG 2024.
