

World Congress on Autism Research & Innovation

October 15-16, 2026 | Paris, France

**AUTISM
CONGRESS
2026**

Theme: "Bridging Science and Society: Innovative Pathways in Autism Research"

This HYBRID EVENT allows you to participate as In person at Paris, France or Virtually from your home or workplace.

Overview:

The Autism Congress 2026 Conference is a premier platform dedicated to professionals, researchers, and advocates in the field of autism and neurodevelopmental studies. It aims to foster knowledge exchange, showcase pioneering research, and explore the latest advancements in diagnosis, intervention, and inclusive practices. The conference brings together experts, clinicians, educators, and policymakers to discuss innovative strategies that enhance the quality of life for individuals on the autism spectrum.

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at Autism Congress 2026. If you have more queries on Exhibitor and Sponsorship please write an email to info@scitechseries.com

Call for Abstracts:

We invite healthcare professionals, researchers, academicians, industry leaders, and students to participate in Autism Congress 2026 by submitting abstracts that showcase their latest studies, innovations, and findings in autism and neurodevelopmental disorders.

Whether your work is rooted in academia, clinical practice, Students or the healthcare industry, this is your opportunity to share valuable insights with a global audience.

A sample template is provided on the Abstract Submission page of the conference website. All accepted abstracts will be published in the Conference Extended Abstract Book, available online and distributed during the event.

Join us in Paris on October 15-16, 2026, and be a part of shaping the future of autism and neurodevelopmental disorders by presenting your research at Autism Congress 2026!

Important Dates:

Abstract Submission Opens on: October 30, 2025

Registration Opens on: October 31, 2025
