

World Congress on Clinical and Experimental Dermatology

November 05-06, 2026 | Dubai, UAE

Theme: "Advances in Dermatology: Transforming Clinical Care through Experimental Science"

DERMATOLOGY
2026

This HYBRID EVENT allows you to participate as In person at Dubai, UAE or Virtually from your home or workplace.

Overview:

The Dermatology 2026 Conference is a leading forum for clinical and experimental dermatology professionals to exchange knowledge, present research, and discuss advancements in the field. It provides a platform for experts, researchers, and industry leaders to explore emerging trends, innovative treatments, and scientific developments that shape modern dermatology. Attendees will have the opportunity to engage in discussions, gain practical insights, and contribute to the progress of skincare science and clinical practice.

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at ICDS 2026. If you have more queries on **Exhibitor** and **Sponsorship** please write an email to info@scitechseries.com

Call for Abstracts:

We invite dermatology experts, industry professionals, researchers, and students to join us at the conference. to submit abstracts highlighting their latest studies, innovations, and findings in dermatology and skincare.

If you are interested in presenting your work—whether from academia, clinical practice, or industry—this is your opportunity to share insights with a global audience.

A sample template is available on the Abstract Submission page of the conference website. Accepted abstracts will be published in the conference extended abstract book, which will be available online and distributed at the event.

Join us in shaping the future of dermatology by presenting your research at Dermatology 2026!

Important Dates:

Abstract Submission Opens on: 19-05-2025

Registration Opens on: 20-05-2025
