About Conference

Scitechseries warmly welcomes you to the “**Global Summit on Clinical Trials, AI, and Healthcare Technologies**” (AI-Clinical Summit 2027), scheduled to take place in **Amsterdam, Netherlands**, from **April 22–23, 2027** as a **hybrid event**.

The conference will be held under the theme “**Transforming Clinical Research: AI-Powered Trials and Next-Generation Healthcare Technologies.**” AI-Clinical Summit2027 provides a global platform for leading scientists, researchers, academicians, clinicians, and industry professionals to exchange the latest breakthroughs and innovations in clinical trials, artificial intelligence, and healthcare technologies.

The congress will explore emerging trends, applications, and future prospects across areas such as precision medicine, digital health, patient-centric trials, decentralized research, and AI-driven diagnostics. The two-day event features keynote addresses, interactive panel discussions, oral and poster presentations, and an engaging exhibition showcasing the latest technological innovations in clinical research and healthcare. It aims to foster collaboration, share knowledge, build new research partnerships, and advance the frontiers of AI-powered clinical research.

Join us at **AI-ClinicalSummit 2027** to be part of this inspiring gathering shaping the global landscape of clinical trials, AI applications, and next-generation healthcare technologies.

OUR TESTIMONIALS

“ **Connie Rogers**, Institute of Integrative Nutrition, USA
Thank you for inviting me to join your event. I enjoyed being part of your team of professionals! There needs to be more group conferences like yours showing the world how to remain healthy and remove those things that can be harmful. ***** Five star!

“ **Sofica C Bistriceanu**, Academic Medical Unit, Romania
I am grateful for the opportunity to broaden my knowledge by listening to the data shared by famous physicians and nurses with decades of experience and beginners in this field worldwide. Various topics and presentation styles made it memorable, and I am eager to add other new reflective data..

“ **Vladimir Gorchakov**, Novosibirsk State University, Russia
I want to congratulate all conferees for big achievements in food science. The conference showed the relevance. Organizers of a conference deserve separate gratitude. Work of a conference took place according to the schedule. The indication of local time in the program for conferees is positively apprehended. All reports are synchronized on time. Reports were very informative and gave a lot of useful information.

“ **Angela Allen**, NC State University, USA
The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

“ **Jordan Ovejas**, The Billions Club, Canada
SciTechSeries was an outstanding conference with inspiring speakers, great energy, and amazing people. I'm excited to return for the next summit next year.

“ **Andrey Pavlychev**, St. Petersburg State University, Russia
The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

“ **Weihong He**, Sichuan University, China
The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

“ **Ernesto Magallon Neri**, University of Barcelona, Spain
Thank you for all the attention received from all members of the congress!

“ **Sadia Amir**, Shaheed Mohtarma Benazir Bhutto Institute of Trauma, Pakistan
The virtual International Infectious Diseases Conference (UK, March 6th) offered excellent insights into the latest breakthroughs. Can't wait to implement the learnings in my practice!

“ **Lidia Sierpinska**, Independent Public Health Care Unit, Poland
It was an honor and a joy to participate in the conference. Very good organization of the registration process. Very good contact between the organizers and the speakers.

“ **Andres Felipe Gonzalez Zapata**, Cooperative University of Colombia, Colombia
This conference was a very enriching experience. Sharing knowledge with very qualified professionals fulfil all areas of infectious diseases. It deserves to be carry out again. Thanks to all the support staff that made this event possible.

“ **Sadeq Damrah**, Australian University, Kuwait

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

“ **Shirin Cantillon**, Warwick Medical School, UK
The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“ **American University of Kurdistan**, Aree Saeed Mustafa, Iraq
I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.

“ **Koichi Shimizu**, Waseda University, Japan
It was a nice experience to present my work for the audience in the different fields from my specialty, or biomedical optics. I enjoyed the meeting and appreciate your arrangements..

“ **Anita Rakic**, Educational Institute for Public Health Splitsko-Dalmatian counties, Croatia
I really thankful for the opportunity to attend the conference. It was a great success.

“ **Ali Jawad**, Damascus University, Lebanon
I really thankful to attend the International Conference on Infectious Diseases. It was a great conference.

Continuous Professional Development (CPD) group participation offers significant benefits, including enhanced professional credibility, up-to-date industry knowledge, improved career progression, and increased employee motivation. Engaging in group CPD fosters peer-to-peer networking, collaboration, and knowledge sharing, ultimately building stronger professional support networks.

Key benefits of CPD group participation include:

- **Enhanced Knowledge & Skills:** Group learning helps practitioners keep their knowledge current, allowing them to adapt to industry changes, technological advancements, and evolving best practices.
- **Networking and Collaboration:** Participating in groups provides opportunities to connect, share ideas, and build strong professional support networks, which enhances peer-to-peer learning.
- **Credibility and Confidence:** Group CPD activities often lead to accredited certifications, providing tangible proof of competence and improved confidence in professional abilities.
- **Career Progression:** Structured, tracked CPD activities provide a clear pathway for promotion and career growth.
- **Industry Compliance:** Many professions require CPD to maintain professional registration, and group sessions can be an efficient way to meet these obligations.

IMPORTANT NOTE

With your continued support, we are in the process of securing CME credits to further strengthen the conference's academic value and international professional recognition.
