GLIMPSES OF PAST EVENTS

OUR TESTIMONIALS

“ **Dash Consigliere**, Leviathan Legacy Solutions, LLC, USA

It was an honor and privilege to speak at the 5th Annual Global Entrepreneurship Summit in Toronto last week. I'm appreciative of those who were in attendance, both in person and online, to hear my talk "No Strategy, No Success". There were so many fantastic speakers and presentations from people all over the world helping to solve a myriad of problems. Thank you to the selection committee, host and MC's for each day - absolutely amazing event! I look forward to the opportunity to connect with those I met, and to speak again next year.

“ **Dr. Fredah Mainah**, SPIRAL With Fredah LLC, USA

Participating as a keynote speaker at the Global Entrepreneurship Summit 2026 was a valuable and energizing experience. The summit brought together entrepreneurs, scholars and leaders from different countries, creating space for meaningful dialogue, new ideas and genuine collaboration.

I especially appreciated the opportunity to present "The SPIRAL Path: Inner Wisdom and Indigenous Leadership Practices for Modern Growth." The audience engagement affirmed the importance of bringing human development, cultural wisdom and conscious leadership into conversations about entrepreneurship and innovation.

“ **Rupali Behl Bhagat**, Edith Cowin University, Australia

You have done amazing work! You've rallied some amazing people to come speak and it was a very empowering group of men and woman that you were able to bring together

“ **Sulman Malik**, Alliance Workplace Wellness, Health and Safety Partners, Canada

What impressed me most was the diversity of perspectives. GES 2026 created an environment where entrepreneurs could exchange ideas, build relationships, and explore new possibilities for collaboration.

“ **Ashok Ranade**, DeerghAayu Wellness Trust, Canada

The combination of artificial intelligence, healthcare innovation, regulatory affairs, and industry applications made this conference particularly relevant and forward-looking.

“ **Rizwana Naz Asif**, Ulster University London, UK

An excellent international platform for discovering emerging business trends, meeting like-minded professionals, and gaining fresh perspectives on entrepreneurship and innovation

“ **Mani Bhandari**, AI Empower Inc, Canada

This conference provided an excellent platform to understand how AI is moving from research and innovation into real-world healthcare and industry applications!

“ **Priya Kothari Jain**, WUST Foundation, USA

A highly engaging conference that brought together researchers, healthcare professionals, technology experts, entrepreneurs, and industry leaders under one roof.

“ **Melissa Marina Johnston**, CEO, Intuitive Intelligence Inc, Canada

Melissa would like to publicly recognise the outstanding planning and delivery of the conference. From the organisation and communication to the overall execution, everything was handled with great professionalism and attention to detail. It was a pleasure to be part of such a well-organised and thoughtfully delivered event.

“ **Hafiz Furqan**, CEO of Mod-Con Consultants Pvt Ltd, Pakistan

A well-organized international summit with meaningful conversations, excellent speakers, and a strong focus on innovation and entrepreneurship. GES 2026 is a great place to connect ideas with opportunities.

“ **Shirin Cantillon**, Warwick Medical School, UK

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“ **American University of Kurdistan**, Aree Saeed Mustafa, Iraq

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.

“ **Koichi Shimizu**, Waseda University, Japan

It was a nice experience to present my work for the audience in the different fields from my specialty, or biomedical optics. I enjoyed the meeting and appreciate your arrangements..

“ **Anita Rakic**, Educational Institute for Public Health Splitsko-Dalmatian counties, Croatia

I really thankful for the opportunity to attend the conference. It was a great success.

“ **Ali Jawad**, Damascus University, Lebanon
I really thankful to attend the International Conference on Infectious Diseases. It was a great conference.

Continuous Professional Development (CPD) group participation offers significant benefits, including enhanced professional credibility, up-to-date industry knowledge, improved career progression, and increased employee motivation. Engaging in group CPD fosters peer-to-peer networking, collaboration, and knowledge sharing, ultimately building stronger professional support networks.

Key benefits of CPD group participation include:

- **Enhanced Knowledge & Skills:** Group learning helps practitioners keep their knowledge current, allowing them to adapt to industry changes, technological advancements, and evolving best practices.
- **Networking and Collaboration:** Participating in groups provides opportunities to connect, share ideas, and build strong professional support networks, which enhances peer-to-peer learning.
- **Credibility and Confidence:** Group CPD activities often lead to accredited certifications, providing tangible proof of competence and improved confidence in professional abilities.
- **Career Progression:** Structured, tracked CPD activities provide a clear pathway for promotion and career growth.
- **Industry Compliance:** Many professions require CPD to maintain professional registration, and group sessions can be an efficient way to meet these obligations.

IMPORTANT NOTE

With your continued support, we are in the process of securing CME credits to further strengthen the conference's academic value and international professional recognition.

VENUE

TORONTO, CANADA

Toronto, the capital of the province of Ontario, is a major Canadian city along Lake Ontario's northwestern shore. It's a dynamic metropolis with a core of soaring skyscrapers, all dwarfed by the iconic, free-standing CN Tower. Toronto also has many green spaces, from the orderly oval of Queen's Park to 400-acre High Park and its trails, sports facilities and zoo.
