## About Conference

Scitechseries welcomes you to attend 2nd Euro Nursing Congress (ENC 2025) which is scheduled as a Hybrid Event on September 15-16, 2025 as Virtual Event.

This HYBRID EVENT allows you to participate as Virtually from your home or workplace.

The conference is engaging with the theme “Nursing Leadership and Management: Shaping the Future of Healthcare. “

ENC 2025 encompass enhanced outpatient care, recognition of diverse achievements, improved patient well-being, and the cultivation of data analysis proficiencies among nurses to address emerging challenges and drive professional growth. In sync with contemporary trends, ENC 2025 will illuminate diverse perspectives and the latest breakthroughs in nursing.

This global symposium offers a platform to engage with peers, scholars, and clinical experts, sharing evidence-based findings to enhance patient care and global healthcare systems. Keynotes, presentations, posters, seminars, and networking opportunities will enrich this two-day affair.

ENC 2025 endeavours to bridge the gaps in current global scientific endeavours, addressing pressing concerns. Join this discourse to access cutting-edge scientific insights, connect with peers, share experiences, and empower your professional journey. Your participation is certain to be invaluable.

# OUR TESTIMONIALS

“

**Angela Allen, NC State University, USA**

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

“

**Andrey Pavlychev, St. Petersburg State University, Russia**

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

“

**Sadeq Damrah, Australian University, Kuwait**

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

“

**Vladimir Sanchez Linares, MINSAP, Cuba**

My testimony: I am very grateful to ICDS for this opportunity, it was a fantastic experience, the event program was great, the presentations were excellent, everything was very well organized, the organizing committee was always willing to help, particularly They always helped me a lot during this time, thank you, thank you very much for everything. see you ICDS 2025!!!

“

**Andres Felipe Gonzalez Zapata, Cooperative University of Colombia, Colombia**

This conference was a very enriching experience. Sharing knowledge with very qualified professionals fulfil all areas of infectious diseases. It deserves to be carry out again. Thanks to all the support staff that made this event possible.

“

**Shirin Cantillon, Warwick Medical School, UK**

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“

**Srinivasa Rao Pundru, Mahatma Gandhi Institute of Technology, India**

The quality of talks at ECRG 2024 is good. Almost all scientific topics which are discussed in this event are very much useful in professional development of researchers. The scientific committee did a good job in selecting the speakers as well as in conducting the event of ECRG 2024.

“

**Weihong He, Sichuan University, China**

The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

“

**Aree Saeed Mustafa, American University of Kurdistan, Iraq**

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.
