

3rd European Conference on Dentistry and Oral Health

May 20-21, 2026 | Barcelona, Spain

Theme: “The Future of Oral Health: Personalized and Preventive Care”

This HYBRID EVENT allows you to participate as In person at Barcelona, Spain or Virtually from your home or workplace.

Overview:

The Dentistry 2026 Conference is a leading forum for dermatology and skincare professionals to exchange knowledge, present research, and discuss advancements in the field. It provides a platform for experts, researchers, and industry leaders to explore emerging trends, innovative treatments, and scientific developments that shape modern dermatology. Attendees will have the opportunity to engage in discussions, gain practical insights, and contribute to the progress of skincare science and clinical practice.

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at Dentistry 2026. If you have more queries on **Exhibitor** and **Sponsorship** please write an email to info@scitechseries.com

Call for Abstracts:

We invite students, Dentistry experts, industry professionals, and researchers to submit abstracts highlighting their latest studies, innovations, and findings in Dentistry. If you are interested in presenting your work—whether from academia, clinical practice, or industry—this is your opportunity to share insights with a global audience.

A sample template is available on the Abstract Submission page of the conference website. Accepted abstracts will be published in the conference extended abstract book, which will be available online and distributed at the event.

Join us in shaping the future of Dentistry by presenting your research at Dentistry 2026
