About Conference

Scitechseries wholeheartedly welcomes you to attend the **International Conference on Healthcare and Advanced Nursing (Healthcare 2026)** scheduled as a Hybrid event from **March 26-27, 2026 | Osaka, Japan.**

This **HYBRID EVENT** allows you to participate as In person at Osaka, Japan or Virtually from your home or workplace.

Conference theme: Addressing Healthcare Disparities through Nursing in a New Era”

Healthcare 2026 serves as a distinctive opportunity for scientific experts, students, academics, and industrial researchers to engage in practical applications, fostering peer-to-peer networking and collaborative initiatives.

Healthcare 2026 aims to congregate prominent academic scientists, scholars, and researchers, facilitating the exchange of their research findings across the entire spectrum of Health Care.

This conference also offers a transformative avenue for professional development, enabling interaction with an extensive array of research teams, experts, and educators. Together, they will explore and deliberate upon prevailing innovations, trends, concerns, challenges, and solutions in the realm of Healthcare .

OUR TESTIMONIALS

“

Angela Allen, NC State University, USA

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

“

Andrey Pavlychev, St. Petersburg State University, Russia

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

“

Sadeq Damrah, Australian University, Kuwait

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

“

Vladimir Sanchez Linares, MINSAP, Cuba

My testimony: I am very grateful to ICDS for this opportunity, it was a fantastic experience, the event program was great, the presentations were excellent, everything was very well organized, the organizing committee was always willing to help, particularly They always helped me a lot during this time, thank you, thank you very much for everything. see you ICDS 2025!!!

“

Andres Felipe Gonzalez Zapata, Cooperative University of Colombia, Colombia

This conference was a very enriching experience. Sharing knowledge with very qualified professionals fulfil all areas of infectious diseases. It deserves to be carry out again. Thanks to all the support staff that made this event possible.

“

Shirin Cantillon, Warwick Medical School, UK

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“

Srinivasa Rao Pundru, Mahatma Gandhi Institute of Technology, India

The quality of talks at ECRG 2024 is good. Almost all scientific topics which are discussed in this event are very much useful in professional development of researchers. The scientific committee did a good job in selecting the speakers as well as in conducting the event of ECRG 2024.

“

Weihong He, Sichuan University, China

The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

“

Aree Saeed Mustafa, American University of Kurdistan, Iraq

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.

VENUE

Osaka, a bustling port city and commercial hub on Japan's Honshu Island, is renowned for its modern architecture, vibrant nightlife, and delicious street food. Its most iconic historical landmark, the 16th-century Osaka Castle, has undergone multiple restorations and is surrounded by a scenic moat and a park filled with plum, peach, and cherry blossom trees. The city is also home to Sumiyoshi-taisha, one of Japan's oldest and most revered Shinto shrines
