

2nd International Conference on Digital Health Innovations and Advanced Nursing Practice

April 22–23, 2027 | Amsterdam, Netherlands

Theme: "Innovating Nursing Practice Through Digital Health"

APPROVED PROVIDER
#785781

This HYBRID EVENT allows you to participate as In person at Amsterdam, Netherlands or Virtually from your home or workplace.

Overview:

This experience at DHN 2027 is designed to foster meaningful dialogue and dynamic discussions, thereby maximizing the value for all participants. The conference will offer valuable research-driven insights and advancements in digital health and modern nursing practices, empowering attendees to make informed, impactful, and forward-thinking decisions that benefit future generations.

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at DHN 2027. If you have more queries on Exhibitor and **Sponsorship** please write an email to info@scitechseries.com

Call for Abstracts:

We warmly invite healthcare professionals, nursing practitioners, researchers, academicians, industry experts, and students in the field of digital health and advanced nursing practice to participate in the DHN 2027 Conference and submit their abstracts highlighting innovative research, clinical advancements, and emerging technologies. Whether your work stems from academic institutions, healthcare organizations, or industry, this conference offers a valuable platform to present your contributions to a global audience and engage in meaningful scientific exchange. A sample abstract template is available on the Abstract Submission page of the conference website. All accepted abstracts will be included in the Conference Extended Abstract Book, which will be published online and shared with participants during the event.

Join us in shaping the future of digital health innovations and advanced nursing practice by showcasing your impactful research at DHN 2027!
