# ABOUT CONFERENCE

**SciTech Series** cordially invites you to join us at the “**Global Summit on Heart and Cardiovascular Care**” (**Heart Congress 2024**) scheduled during **October 16-17, 2024**, in **Las Vegas, USA**.

This **HYBRID EVENT** allows you to participate In person in Las Vegas, USA, or Virtually from your home or workplace.

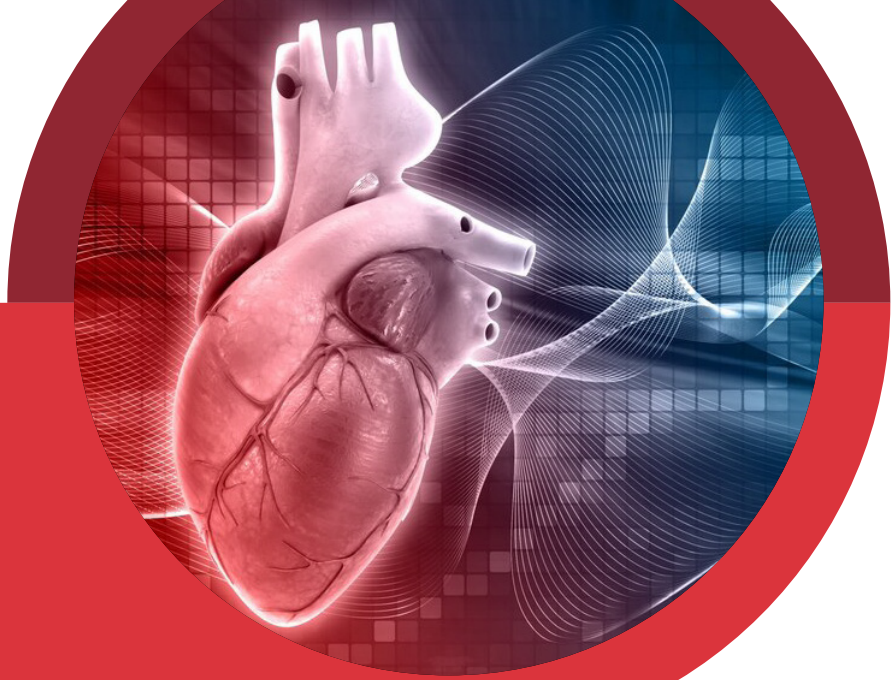

The primary focus of the conference will be on the theme “**Address disparities in cardiovascular care and strategies for improving access to quality care worldwide.**”

**Heart Congress 2024** The conference serves as an annual gathering of leading minds in global cardiology, fostering the exchange of the latest insights shaping the prevention, diagnosis, and treatment of cardiovascular diseases. This international conference, strategically timed amidst crucial advancements in cardiac research, places a primary focus on recent and impactful clinical trials. Tailored to engage faculty members, researchers, cardiologists, scientists, healthcare practitioners, clinicians, public health specialists, nurses, caregivers, and industry representatives, the event offers a platform for comprehensive discussions in the field of cardiology. With distinguished keynote presentations, interactive panel discussions, oral abstract presentations, poster sessions, and a diverse range of scientific and healthcare exhibitors, the conference ensures a robust program. Committed to maintaining its stellar reputation for excellence, the Congress promises timely exploration of cutting-edge topics within the realm of heart and cardiovascular care.

We extend a warm invitation to **Heart Congress 2024** to address the challenges posed by Cardiovascular Care.
