

3rd Global Summit on Heart and Cardiovascular Care

November 26-27, 2026 | Dubai, UAE

Theme: "Innovating Cardiac Care: Integrating Research, Technology, and Prevention"

This HYBRID EVENT allows you to participate as In person at Dubai, UAE or Virtually from your home or workplace.

Overview:

The Heart Congress 2026 is a premier platform dedicated to professionals, researchers, and advocates in the field of cardiology and heart studies. It aims to foster knowledge exchange, showcase pioneering research, and explore the latest advancements in diagnosis, intervention, and inclusive practices. The conference brings together experts, clinicians, educators, and policymakers to discuss innovative strategies that enhance the quality of life for individuals on the heart and cardiology spectrum.

Attendees will have the opportunity to engage in insightful discussions, gain evidence-based perspectives, and contribute to shaping the future of autism research, care, and advocacy on a global scale.

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at Heart Congress 2026. If you have more queries on **Exhibitor** and **Sponsorship** please write an email to info@scitechseries.com

Call for Abstracts:

We invite healthcare professionals, researchers, academicians, industry leaders, and students to participate in Heart Congress 2026 by submitting abstracts that showcase their latest studies, innovations, and findings in heart and cardiac attacks.

Whether your work is rooted in academia, clinical practice, Students or the healthcare industry, this is your opportunity to share valuable insights with a global audience.

A sample template is provided on the Abstract Submission page of the conference website. All accepted abstracts will be published in the Conference Extended Abstract Book, available online and distributed during the event.
