About Conference

Scitechseries cordially invites you to join us at the “**3rd International Conference on Infectious Diseases**” (**Infectious Diseases 2025**) scheduled as a Hybrid Event on **November 06-07, 2025** in **London, UK**.

This Hybrid event allows you to participate in In-person in London, UK or Virtually from your home or workplace. The primary focus of the conference will be on the theme “**One Health, One Future: Cross-Sector Solutions to Global Infectious Threats**”

Infectious Diseases 2025 is a premier global gathering designed to unite public health leaders and infectious disease experts from around the world. The conference serves as a vital platform for sharing the most current developments related to the emergence, spread, and management of infectious diseases. Taking place at a pivotal moment in global health, this international forum will place strong emphasis on recent clinical breakthroughs and case studies.

The event is thoughtfully curated to engage a broad audience, including academic professionals, researchers, epidemiologists, medical scientists, clinicians, healthcare providers, nurses, public health officials, industry stakeholders, and specialists in infectious diseases. Attendees can look forward to a dynamic program featuring keynote addresses from esteemed speakers, engaging panel discussions, insightful oral and poster presentations, and an exhibition showcasing innovations from across the scientific and healthcare sectors.

Infectious Diseases 2025 remains dedicated to excellence by presenting timely, in-depth discussions on emerging trends and critical issues shaping the future of infectious disease research and response.

OUR TESTIMONIALS

“

Angela Allen, NC State University, USA

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

“

Andrey Pavlychev, St. Petersburg State University, Russia

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

“

Sadeq Damrah, Australian University, Kuwait

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

“

Anita Rakic, Educational Institute for Public Health Splitsko-Dalmatian counties, Croatia

I really thankful for the opportunity to attend the conference. It was a great success.

“

Andres Felipe Gonzalez Zapata, Cooperative University of Colombia, Colombia

This conference was a very enriching experience. Sharing knowledge with very qualified professionals fulfil all areas of infectious diseases. It deserves to be carry out again. Thanks to all the support staff that made this event possible.

“

Shirin Cantillon, Warwick Medical School, UK

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“

Srinivasa Rao Pundru, Mahatma Gandhi Institute of Technology, India

The quality of talks at ECRG 2024 is good. Almost all scientific topics which are discussed in this event are very much useful in professional development of researchers. The scientific committee did a good job in selecting the speakers as well as in conducting the event of ECRG 2024.

“

Weihong He, Sichuan University, China

The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

“

Aree Saeed Mustafa, American University of Kurdistan, Iraq

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.
