

3rd International Conference on Infectious Diseases

November 06-07, 2025 | London, UK

INFECTIOUS
DISEASES
2025

Theme: “One Health, One Future: Cross-Sector Solutions to Global Infectious Threats”

This HYBRID EVENT allows you to participate as In person at London, UK or Virtually from your home or workplace

Overview:

The Infectious Diseases 2025 Conference stands as a premier gathering in the field, fostering a dynamic platform for dialogue and discussion among professionals, researchers, and stakeholders. Set against the backdrop of the rapidly evolving landscape of aquaculture and fishery science, this event is poised to maximize the benefits of attendance by providing invaluable research-related information and insights into the development of aquaculture on a global scale.

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at Infectious Diseases 2025. If you have more queries on Exhibitor and Sponsorship please write an email to info@scitechseries.com

Call for Abstracts:

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available on the “Abstract submission” page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available online and distributed at the event.

Important Dates:

Abstract Submission Opens on: 17-04-2025

Registration Opens on: 18-04-2025

For Abstract submission visit:

 www.scitechseries.com/infectious-disease/abstract-submission

VENUE: LONDON, UK

London, the capital of the United Kingdom, blends rich history with modern charm. Iconic landmarks like Big Ben, the Tower of London, and Buckingham Palace attract millions. The River Thames winds through diverse neighborhoods, while world-class museums, theaters, and markets create a vibrant cultural scene. It's a truly global city.
