

2nd International Conference on Infectious Diseases

April 10-11, 2025 | Rome, Italy

Theme: "Innovations in Infectious Disease Control: Exploring Cutting-Edge Technologies and Strategies"

This HYBRID EVENT allows you to participate as In person at Rome, Italy or Virtually from your home or workplace.

Overview:

The Infectious Diseases 2025 Conference stands as a premier gathering in the field, fostering a dynamic platform for dialogue and discussion among professionals, researchers, and stakeholders. Set against the backdrop of the rapidly evolving landscape of aquaculture and fishery science, this event is poised to maximize the benefits of attendance by providing invaluable research-related information and insights into the development of aquaculture on a global scale.

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at Infectious Diseases 2025. If you have more queries on Exhibitor and Sponsorship please write an email to info@scitechseries.com

Call for Abstracts:

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available on the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available online and distributed at the event.

Important Dates:

Abstract Submission Opens on: 15-03-2024

Registration Opens on: 16-03-2024
