

3rd World Congress on Nanotechnology

October 29-30, 2026 | Berlin, Germany

Theme: "Shaping the Future through Advanced Nanomaterials and Smart Innovations"

This HYBRID EVENT allows you to participate as In person at Berlin, Germany or Virtually from your home or workplace.

Overview:

This experience helps Nano 2026 to encourage a strong level of dialogue and discussion, thus maximizing the benefits of attendance. This Webinar surely provides great research-related information and insight into the development of the World Chemical Industry, which in turn attendees to make better and more profitable decisions for upcoming generations.

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at Nano 2026. If you have more queries on **Exhibitor** and **Sponsorship** please write an email to info@scitechseries.com

Call for Abstracts:

We warmly invite experts, industry leaders, researchers, and students in the fields of nanotechnology and nanoscience to participate in the NANO 2026 Conference and submit their abstracts showcasing cutting-edge research, innovations, and advancements.

Whether your work originates from academia, research institutions, or industry, this is an excellent opportunity to share your contributions with a global scientific community.

A sample abstract template is available on the Abstract Submission page of the conference website. All accepted abstracts will be featured in the Conference Extended Abstract Book, which will be published online and distributed during the event.

Join us in shaping the future of nanotechnology by presenting your groundbreaking research at NANO 2026!

Important Dates:

Abstract Submission Opens on: November 10, 2025

Registration Opens on: November 11, 2025

For Abstract submission visit:

 www.scitechseries.com/nanotechnology/abstract-submission

Scientific sessions:

- AI in Nanotechnology
- Life Sciences
- Nanotechnology for Energy Systems
- Materials and Devices
- Environment & Sustainability
- Safety, Ethics & Regulation
- Advanced Nanomaterials and Nanoarchitectonics
- Industrial Nanotechnology and Applications
- Next-Generation Nanotech Innovations
- Modeling, Simulation, and Future Perspectives in Nanoscience
- Spintronics and Nanomagnetism
- Nanobiomedicine and Nano Diagnostics
- Emerging Technologies in Nanotechnology
- Applications of Nanotechnology in COVID
- Research on COVID-19 Medicine and Vaccine
- Nanotechnology in Food Processing
- Specialized and Frontier Topics
- Carbon Nanotechnology
- Nanotech: In Other Fields

Conference Registration:

| | |
|----------------------|--------|
| Speaker (Physical) | € 574 |
| Speaker (Virtual) | € 369 |
| Listener (Physical) | € 645 |
| Listener (Virtual) | € 439 |
| Exhibitor (Physical) | € 2343 |
| Exhibitor (Virtual) | € 1334 |

REGISTRATION BENEFITS

For In-person attendees

- Entry to all conference sessions, poster presentations, and the exhibition area
- Conference kit comprising a name tag, program booklet, and abstract book
- Two coffee breaks and lunch provided for each day of the conference
- Accreditation Certificate issued by the Organizing Committee

For Virtual attendees

- Access to all presentations
- An E-abstract book and program
- An E-certificate for presentation and participation

For more registration queries, please contact: finance@scitechseries.com

VENUE: BERLIN, GERMANY

Berlin, the dynamic capital of Germany, is a vibrant European metropolis celebrated for its rich history, modern innovation, and cultural diversity. Blending a storied past with contemporary creativity, it is home to iconic landmarks such as the Brandenburg Gate, the Reichstag, and the East Side Gallery, which reflect its unique character and resilience. The city's eclectic neighbourhoods-from the historic Mitte district to the artistic streets of Kreuzberg and Friedrichshain-offer countless opportunities for exploration and inspiration.
