About Conference

Based on researchers' requests, Scitechseries is proud to announce the Global Congress on Nephrology (Nephrology Congress 2026), scheduled for November 23–24, 2026 | Barcelona, Spain. We warmly invite researchers, clinicians, and healthcare professionals to participate in Nephrology Congress 2026.

Centered on the theme "Advancing Renal Health: Innovation, Research, and Patient Care," the congress offers a dynamic platform for international collaboration and scientific exchange in the field of nephrology.

Nephrology Congress 2026 is designed to highlight recent breakthroughs in chronic kidney disease, acute kidney injury, dialysis advancements, kidney transplantation, hypertension management, and emerging renal therapies. The program will showcase influential keynote speakers, pioneering research findings, and evolving technologies that are transforming patient outcomes in kidney health.

This interdisciplinary gathering will unite nephrologists, researchers, transplant surgeons, dialysis specialists, academicians, healthcare practitioners, and industry leaders from across the globe. The conference will feature keynote lectures, panel discussions, technical sessions, poster presentations, and a Young Researcher Forum, creating meaningful opportunities for knowledge sharing, professional networking, and collaborative growth.

Join us in Barcelona for two inspiring days dedicated to advancing renal science and improving global kidney care. Your participation will contribute significantly to shaping the future of clinical and experimental nephrology.

Join us at Nephrology Congress 2026 as we collectively shape the future of Nephrology.

OUR TESTIMONIALS

“ **Connie Rogers**, Institute of Integrative Nutrition, USA
Thank you for inviting me to join your event. I enjoyed being part of your team of professionals! There needs to be more group conferences like yours showing the world how to remain healthy and remove those things that can be harmful. ***** Five star!

“ **Sofica C Bistriceanu**, Academic Medical Unit, Romania
I am grateful for the opportunity to broaden my knowledge by listening to the data shared by famous physicians and nurses with decades of experience and beginners in this field worldwide. Various topics and presentation styles made it memorable, and I am eager to add other new reflective data..

“ **Vladimir Gorchakov**, Novosibirsk State University, Russia
I want to congratulate all conferees for big achievements in food science. The conference showed the relevance. Organizers of a conference deserve separate gratitude. Work of a conference took place according to the schedule. The indication of local time in the program for conferees is positively apprehended. All reports are synchronized on time. Reports were very informative and gave a lot of useful information.

“ **Andrey Pavlychev**, St. Petersburg State University, Russia

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

“ **Angela Allen**, NC State University, USA

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

“ **Weihong He**, Sichuan University, China

The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

“ **Ernesto Magallon Neri**, University of Barcelona, Spain

Thank you for all the attention received from all members of the congress!

“ **Anita Rakic**, Educational Institute for Public Health Splitsko-Dalmatian counties, Croatia

I really thankful for the opportunity to attend the conference. It was a great success.

“ **Koichi Shimizu**, Waseda University, Japan

It was a nice experience to present my work for the audience in the different fields from my specialty, or biomedical optics. I enjoyed the meeting and appreciate your arrangements..

“ **Sadeq Damrah**, Australian University, Kuwait

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

“ **Shirin Cantillon**, Warwick Medical School, UK

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“ **American University of Kurdistan**, Aree Saeed Mustafa, Iraq

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.

“ **Srinivasa Rao Pundru**, Mahatma Gandhi Institute of Technology, India

The quality of talks at ECRG 2024 is good. Almost all scientific topics which are discussed in this event are very much useful in professional development of researchers. The scientific committee did a good job in selecting the speakers as well as in conducting the event of ECRG 2024.
