

Global Congress on Nephrology

November 23-24, 2026 | Barcelona, Spain

NEPHROLOGY
CONGRESS
2026

Theme: "Advancing Renal Health: Innovation, Research, and Patient Care"

This HYBRID EVENT allows you to participate as In person at Barcelona, Spain or Virtually from your home or workplace.

Overview:

This experience will enable Nephrology Congress 2026 to foster a high level of scientific dialogue and meaningful discussion, thereby maximizing the value and impact of participation. The congress will provide comprehensive, research-driven insights into the latest advances in nephrology, kidney transplantation, dialysis innovation, and renal care technologies. By bringing together leading clinicians, researchers, and industry experts, the event aims to promote knowledge exchange, encourage collaborative partnerships, and support evidence-based decision-making. Ultimately, this platform will empower attendees to contribute to improved patient outcomes and sustainable advancements in kidney health for future generations.

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at Nephrology Congress 2026. If you have more queries on **Exhibitor** and **Sponsorship** please write an email to info@scitechseries.com

Call for Abstracts:

We warmly invite clinicians, researchers, industry professionals, and students in the fields of nephrology, kidney transplantation, dialysis, and renal sciences to participate in Nephrology Congress 2026 and submit their abstracts highlighting cutting-edge research, innovations, and clinical advancements.

Whether your work originates from academia, healthcare institutions, research organizations, or industry, this congress provides an excellent platform to present your findings and engage with a global community of kidney health experts.

A sample abstract template is available on the Abstract Submission page of the conference website. All accepted abstracts will be published in the Conference Extended Abstract Book, which will be available online and distributed during the event.

Join us in advancing kidney care and shaping the future of nephrology by presenting your groundbreaking research at Nephrology Congress 2026.
