## About Conference

Scitechseries is thrilled to announce the “3<sup>rd</sup> International Conference on Neurology & Neurological Disorders” (Neurology 2025) and extends a warm invitation to participants worldwide. This exciting event is scheduled to take place in **London, UK** from **November 06-07, 2025** as a **Hybrid Event**.

This Hybrid Event allows you to participate in person in London, UK, or Virtually from your home or workplace.

The central theme of Neurology 2025 is “Emerging Challenges and Innovations in Neurology & Neurological Disorders”, highlighting its vital role in the dynamic and essential realm of global research.

**Neurology2025** stands as a crucial platform for rapid advancements and critical discussions in the field of neurology and neurological disorders, playing a pivotal role in shaping the future of global research. Our primary goal is to prioritize neurology education to propel research in this rapidly evolving domain. The conference will delve into contemporary methodologies in neurology while creating an educational framework designed to mentor the upcoming generation of neurologists. The focus will be on cultivating effective communication skills and encouraging collaboration across a spectrum of disciplines, encompassing both established and emerging fields. We extend a warm welcome to scientists, medical practitioners, researchers, and delegates to join us at Neurology 2025, contributing to the exchange of knowledge and the advancement of neurology and neurological research.

# OUR TESTIMONIALS

“

**Angela Allen, NC State University, USA**

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

“

**Andrey Pavlychev, St. Petersburg State University, Russia**

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

“

**Sadeq Damrah, Australian University, Kuwait**

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

“

**Vladimir Sanchez Linares, MINSAP, Cuba**

My testimony: I am very grateful to ICDS for this opportunity, it was a fantastic experience, the event program was great, the presentations were excellent, everything was very well organized, the organizing committee was always willing to help, particularly They always helped me a lot during this time, thank you, thank you very much for everything. see you ICDS 2025!!!

“

**Andres Felipe Gonzalez Zapata, Cooperative University of Colombia, Colombia**

This conference was a very enriching experience. Sharing knowledge with very qualified professionals fulfil all areas of infectious diseases. It deserves to be carry out again. Thanks to all the support staff that made this event possible.

“

**Shirin Cantillon, Warwick Medical School, UK**

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“

**Srinivasa Rao Pundru, Mahatma Gandhi Institute of Technology, India**

The quality of talks at ECRG 2024 is good. Almost all scientific topics which are discussed in this event are very much useful in professional development of researchers. The scientific committee did a good job in selecting the speakers as well as in conducting the event of ECRG 2024.

“

**Weihong He, Sichuan University, China**

The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

“

**Aree Saeed Mustafa, American University of Kurdistan, Iraq**

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.
