ABOUT THE CONFERENCE

Scitechseries is thrilled to announce the “**2nd International Conference on Neurology & Neurological Disorders**” (**Neurology 2024**) and extends a warm invitation to participants worldwide. This exciting event is scheduled to take place from **November 15-16, 2024**, in **Dubai, UAE**.

This **HYBRID EVENT** allows you to participate as In person at Dubai, UAE or Virtually from your home or workplace.

The central theme of Neurology 2024 is “Ethical Considerations Related to Neuroscientific Research and Neurological Treatments”, highlighting its vital role in the dynamic and essential realm of global research.

Neurology 2024 stands as a crucial platform for rapid advancements and critical discussions in the field of neurology and neurological disorders, playing a pivotal role in shaping the future of global research. Our primary goal is to prioritize neurology education to propel research in this rapidly evolving domain. The conference will delve into contemporary methodologies in neurology while creating an educational framework designed to mentor the upcoming generation of neurologists. The focus will be on cultivating effective communication skills and encouraging collaboration across a spectrum of disciplines, encompassing both established and emerging fields. We extend a warm welcome to scientists, medical practitioners, researchers, and delegates to join us at Neurology 2024, contributing to the exchange of knowledge and the advancement of neurology and neurological research.
