

# WCPD 2024

## World Congress on Pharmaceutical Chemistry and Drug Development

September 19-20, 2024 | Paris, France

# WCPD 2024

This **HYBRID EVENT** allows you to participate as **In-person in Paris, France** or Virtually from your home or work place.

Theme "Addressing Worldwide Challenges and Investigating Scientific Inquiry in the Field of Pharmaceuticals"

### Overview

WCPD 2024 is here to encourage a strong level of dialogue and discussion, thus maximizing the benefits of attendance. This Conference surely provides great research-related information and insight into the development of Pharmaceutical Chemistry and Drug Development, which in turn attendees to make better and more profitable decisions for young research forums.

### Sponsorship and Exhibitor Opportunities

We are excited to invite you to sponsor and exhibit at WCPD 2024. If you have more queries on Exhibitor and Sponsorship please write an email to [info@scitechseries.com](mailto:info@scitechseries.com)

For complete scientific session's list, please see:

<https://www.scitechseries.com/pharmaceutical-chemistry/program/scientific-sessions>

#### Important Dates:

Abstract Submission Opens on: September 19, 2023

Registration Opens on: September 20, 2023

For Abstract submission visit: <https://www.scitechseries.com/pharmaceutical-chemistry/abstract-submission>

For registration Queries Contact: [finance@scitechseries.com](mailto:finance@scitechseries.com)

### Call for Abstracts

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available on-line and distributed at the event.

### SCIENTIFIC SESSIONS

- Artificial Intelligence and Machine Learning in Drug Discovery
- Advanced Pharmaceutical Analytical Techniques
- Innovations in Pharmaceutical Regulatory Affairs
- Genome Editing and Gene Therapy for Genetic Diseases
- Nanotechnology in Drug Delivery and Imaging
- Virtual and Augmented Reality in Drug Development
- Pharmacoeconomics and Market Access Strategies
- Patient Engagement and Patient-Centred Drug Development

### Contact us
