

# 3<sup>rd</sup> World Congress on Physical Medicine and Rehabilitation

## March 26-27, 2026 | Osaka, Japan

Theme: "Exploring Progress and Developments to Enhance Physical Medicine Research"

This HYBRID EVENT allows you to participate as In person at Osaka, Japan or Virtually from your home or workplace.

### Overview:

The WCPR 2026 Conference is a premier international platform for professionals in Physical Medicine and Rehabilitation to share knowledge, present innovative research, and discuss the latest advancements in the field. This dynamic forum brings together clinicians, researchers, therapists, and industry experts to explore cutting-edge approaches in rehabilitation technology, patient-centered care, and integrative recovery strategies. Attendees will have the opportunity to engage in interactive sessions, gain evidence-based insights, and contribute to the evolution of rehabilitation science and practice aimed at improving patient outcomes and quality of life.

### Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at WCPR 2026. Download the [Exhibitor](#) and [Sponsorship](#) Prospectus.

### Call for Abstracts:

We invite physiatrists, rehabilitation specialists, industry professionals, researchers, and students to join us at WCPR 2026 by submitting abstracts that showcase their latest studies, innovations, and findings in the field of Physical Medicine and Rehabilitation. Whether your work stems from academia, clinical practice, or industry, this is an excellent opportunity to share your insights with a global audience of peers and experts. A sample template is available on the Abstract Submission page of the conference website. Accepted abstracts will be published in the conference extended abstract book, which will be available online and distributed during the event.

Join us in shaping the future of rehabilitation science by presenting your research at WCPR 2026!
