

4th World Congress on Physical Medicine and Rehabilitation

March 18–19, 2027 | Barcelona, Spain

Theme: "Exploring Progress and Developments to Enhance Physical Medicine Research"

APPROVED PROVIDER
#785781

This HYBRID EVENT allows you to participate as In person at Barcelona, Spain or Virtually from your home or workplace.

Overview:

This experience helps Developments to Enhance Physical Medicine Research and encourage a strong level of dialogue and discussion, thus maximizing the benefits of attendance. This Conference surely provides great research-related information and insight into the development of the world in Rehabilitation Centers, which in turn attendees to make better and more profitable decisions for upcoming generations.

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at WCPR 2027.

Download the [Exhibitor](#) and [Sponsorship](#) Prospectus. If you have more queries on Exhibitor and Sponsorship please write an email to info@scitechseries.com

Call for Abstracts:

We invite Physical Medicine and Rehabilitation experts, industry professionals, researchers, and students to join us at the conference. To submit abstracts highlighting their latest studies, innovations, and findings in Physical Medicine and Rehabilitation.

If you are interested in presenting your work—whether from academia, clinical practice, or industry—this is your opportunity to share insights with a global audience.

A sample template is available on the Abstract Submission page of the conference website. Accepted abstracts will be published in the conference extended abstract book, which will be available online and distributed at the event.

Join us in shaping the future of Physical Medicine and Rehabilitation by presenting your research at WCPR 2027!
