About Conference

ScitechSeries warmly invites you to the **2nd Global Congress on Addiction Medicine, Behavioral Health & Psychiatric Research (GABP Congress 2027)**, taking place on **August 26–27, 2027**, in **Boston, USA.**

Under the **theme "From Brain to Behavior: Advancing Integrated Care in Addiction and Mental Health,"** GABP Congress 2027 will bring together addiction medicine researchers, behavioural health researchers, psychiatrists, autism researchers, neuroscientists, psychologists, pediatricians, special education professionals, speech-language pathologists, occupational therapists, behavioral therapists, healthcare professionals, educators, caregivers, policymakers, and advocates from around the world.

The conference will provide an international platform to explore the latest developments in psychiatric research, neurodevelopment, early diagnosis, evidence-based interventions, behavioral and addiction therapies, inclusive education, assistive technologies, and community-based support.

GABP Congress 2027 will emphasize scientific innovation, interdisciplinary collaboration, evidence-based treatments, mental health awareness, and the translation of research into meaningful improvements in addiction recovery, behavioral health, psychiatric care, and overall well-being.

CME | CPD | CEU Accreditation

CME Credits:

Continuing Medical Education — 18+ Credits

CME credits recognize participation in educational activities designed to enhance medical knowledge, clinical competence, and evidence-based healthcare practice.

- **Clinical Excellence:** Helps healthcare professionals stay updated on evidence-based practices, medical research, and clinical innovations.
- **Professional Recognition:** Demonstrates commitment to maintaining medical knowledge and professional competence.
- **Professional Credentialing:** May support continuing education records required by hospitals and healthcare institutions.
- **Specialty Certification:** Supports ongoing learning relevant to specialty certification and recertification requirements where accepted.
- **Medical License Renewal:** May contribute toward continuing education requirements for license renewal, subject to local regulatory rules.

CPD Credits:

Continuing Professional Development — 18+ Credits

CPD credits recognize ongoing learning and professional development through eligible conferences, seminars, workshops, and other structured educational activities.

- **Professional Portfolio:** Provides evidence of a commitment to lifelong learning and continuous improvement.
- **Career Advancement:** Supports skill development and may strengthen applications for promotions and new opportunities.
- **Structured Learning:** Recognizes participation in eligible conferences, workshops, seminars, and educational activities.
- **Employer Recognition:** Documents ongoing learning and professional development for performance reviews and career records.
- **Professional Requirements:** May contribute toward continuing education requirements for maintaining certain licenses or certifications, where accepted.

CEU Credits:

Continuing Education Units — 2 Credits for Students

CEUs recognize eligible educational participation and provide documentation of continuing education and learning achievements, subject to the applicable CEU framework.

- **Learning Documentation:** Provides a certificate documenting eligible educational participation and CEUs earned.
- **Further Education:** Adds evidence of educational engagement that may be relevant to higher education applications.
- **Skill Development:** Builds knowledge, technical skills, and awareness of current industry practices.
- **Career Advancement:** Demonstrates commitment to lifelong learning and may strengthen future job applications.
- **Certification Support:** May contribute toward continuing education requirements for eligible certifications where recognized.
- **Academic Profile Enhancement:** Strengthens students' academic portfolios by documenting additional learning activities.

OUR TESTIMONIALS

Connie Rogers, Institute of Integrative Nutrition, USA

Thank you for inviting me to join your event. I enjoyed being part of your team of professionals! There needs to be more group conferences like yours showing the world how to remain healthy and remove those things that can be harmful. ***** Five star!

Sofica C Bistriceanu, Academic Medical Unit, Romania

I am grateful for the opportunity to broaden my knowledge by listening to the data shared by famous physicians and nurses with decades of experience and beginners in this field worldwide. Various topics and presentation styles made it memorable, and I am eager to add other new reflective data..

Vladimir Gorchakov, Novosibirsk State University, Russia

I want to congratulate all conferees for big achievements in food science. The conference showed the relevance. Organizers of a conference deserve separate gratitude. Work of a conference took place according to the schedule. The indication of local time in the program for conferees is positively apprehended. All reports are synchronized on time. Reports were very informative and gave a lot of useful information.

Angela Allen, NC State University, USA

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

Jordan Ovejas, The Billions Club, Canada

SciTechSeries was an outstanding conference with inspiring speakers, great energy, and amazing people. I'm excited to return for the next summit next year.

Andrey Pavlychev, St. Petersburg State University, Russia

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

Weihong He, Sichuan University, China

The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

Ernesto Magallon Neri, University of Barcelona, Spain

Thank you for all the attention received from all members of the congress!

Sadia Amir, Shaheed Mohtarma Benazir Bhutto Institute of Trauma, Pakistan

The virtual International Infectious Diseases Conference (UK, March 6th) offered excellent insights into the latest breakthroughs. Can't wait to implement the learnings in my practice!

Lidia Sierpinska, Independent Public Health Care Unit, Poland

It was an honor and a joy to participate in the conference. Very good organization of the registration process. Very good contact between the organizers and the speakers.

Andres Felipe Gonzalez Zapata, Cooperative University of Colombia, Colombia

This conference was a very enriching experience. Sharing knowledge with very qualified professionals fulfil all areas of infectious diseases. It deserves to be carry out again. Thanks to all the support staff that made this event possible.

Sadeq Damrah, Australian University, Kuwait

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

Shirin Cantillon, Warwick Medical School, UK

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

American University of Kurdistan, Aree Saeed Mustafa, Iraq

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.

Koichi Shimizu, Waseda University, Japan

It was a nice experience to present my work for the audience in the different fields from my specialty, or biomedical optics. I enjoyed the meeting and appreciate your arrangements..

Anita Rakic, Educational Institute for Public Health Splitsko-Dalmatian counties, Croatia

I really thankful for the opportunity to attend the conference. It was a great success.

Ali Jawad, Damascus University, Lebanon

I really thankful to attend the International Conference on Infectious Diseases. It was a great conference.
