

2nd Global Congress on Addiction Medicine, Behavioral Health & Psychiatric Research

August 26–27, 2027 | Boston, USA

Theme: “From Brain to Behavior: Advancing Integrated Care in Addiction and Mental Health”

This HYBRID EVENT allows you to participate as In person at Boston, USA or Virtually from your home or workplace.

Overview:

The GABP Congress 2027 is an international platform uniting researchers, psychiatrists, psychologists, clinicians, academicians, and healthcare professionals to advance addiction medicine, behavioral health, and psychiatric research. The congress promotes knowledge exchange, innovative treatment approaches, evidence-based interventions, and improved mental health outcomes. Participants can present research, explore emerging trends, engage in scientific discussions, and establish global collaborations to strengthen clinical practices and shape the future of psychiatric and behavioral healthcare worldwide.

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at GABP Congress 2027. Download the Exhibitor and **Sponsorship** Prospectus. If you have more queries on Exhibitor and Sponsorship please write an email to info@scitechseries.com

Call for Abstracts:

We warmly invite healthcare professionals, addiction specialists, psychiatrists, psychologists, researchers, clinicians, academicians, industry experts, and students to submit abstracts for GABP Congress 2027, highlighting the latest research, innovations, and findings in addiction medicine, behavioral health, and psychiatric research.

Share your work in clinical practice, mental health, psychotherapy, prevention, treatment, rehabilitation, and behavioral science with an international audience. A sample abstract template is available on the conference website. All accepted abstracts will be published in the Conference Extended Abstract Book.

Join us in Boston, USA, on August 26–27, 2027, to advance research and improve global mental healthcare.
