3rd International Congress on Psychology & Behavioral Sciences

March 26-27, 2026 | Osaka, Japan

Theme: "Next-Generation Psychology: From Lab to Life"

PSYCHOLOGY CONGRESS 2026

This HYBRID EVENT allows you to participate as In person at Osaka, Japan or Virtually from your home or workplace.

Overview:

The Psychology Congress 2026 is a premier international forum for professionals in the fields of psychology and behavioral sciences to share knowledge, present ground-breaking research, and explore the latest advancements. This dynamic platform brings together psychologists, researchers, mental health experts, and thought leaders to discuss emerging trends, innovative therapies, and scientific developments shaping the future of mental health care. Attendees will have the opportunity to engage in thought-provoking discussions, gain practical insights, and contribute to the ongoing progress of psychological science and practice.

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at Psychology Congress 2026. Download the Exhibitor and Sponsorship Prospectus

Call for Abstracts:

We invite psychology professionals, mental health experts, researchers, and students to join us at Psychology Congress 2026 by submitting abstracts that showcase their latest research, innovations, and findings in the fields of psychology and behavioral sciences. Whether your work is rooted in academia, clinical practice, or industry, this is your opportunity to present your insights to a global audience of like-minded professionals. A sample abstract template is available on the Abstract Submission page of the conference website. All accepted abstracts will be published in the extended abstract book, available both online and at the event. Be part of shaping the future of psychological science—submit your research and present at Psychology Congress 2026!

Important Dates:

Abstract Submission Opens on: 19-06-2025
Registration Opens on: 20-06-2025
