About Conference

Scitechseries is excited to introduce the innovative event “**International Conference on Vaccines & Immunization**” (ICVI 2025) scheduled during **November 06-07, 2025** at **London, UK** in Hybrid mode.

This Hybrid event allows you to participate as In-person in London, UK or Virtually from your home or workplace. Under the compelling theme “Leading the way in Advancing Vaccine Evolution and Development” will bring together prominent experts from across the globe, including researchers, scientists, academics, vaccinologists, immunologists, healthcare, professionals, and industry leaders. The focus will be on sharing the latest groundbreaking developments and insights in the field, with particular attention to the forefront of COVID-19 vaccines.

ICVI 2025 will spotlight the pivotal role of vaccination in enhancing global health at all stages of life, linking us to significant connections, aspirations, and defining moments. The event comprises an array of keynote sessions, plenary talks, oral and poster presentations, fostering comprehensive discussions on contemporary vaccine progress. This serves as an exceptional avenue to foster connections within academia and industry. Moreover, the summit offers a unique opportunity for industry pioneers, specialists, investors, and corporate executives to engage with influential business counterparts, fostering potential marketing prospects within this interconnected networking realm.

We anticipate your presence at ICVI 2025, a platform that not only expands professional horizons but also opens doors to future prospects, novel cultural experiences, and a global outlook.

Conference Topics

- Coronavirus Disease (COVID-19)
- Childhood Infection Vaccines
- Protein Based Vaccines
- Vaccines for Vector-borne Diseases
- Therapeutic Vaccines
- Non-infectious Diseases
- Bacterial Diseases
- Vaccination Strategies
- Vaccine Research & Development
- Vaccines Policy and Regulatory Affairs
- Next-Generation Vaccine Delivery Technologies
- Vaccines Business Development
- Veterinary Vaccines
- Vaccine Immunology
- Human Vaccines
- Parasitic Diseases
- Vaccines Safety, Efficacy & Clinical Trails
- Viral Diseases

Top Reasons to Attend

OUR TESTIMONIALS

“

Angela Allen, NC State University, USA

The conference was great and attendance was good until the last presentation. I learned some new areas from them. The organization was great.

“

Andrey Pavlychev, St. Petersburg State University, Russia

The European Conference on Renewable Energy and Green Chemistry (ECRG 2024) is truly an outstanding event.

“

Sadeq Damrah, Australian University, Kuwait

What a delight it was to participate in such an organized summit with fun smart speakers. As a speaker, I met so many people I will stay in contact with regarding my topic.

“

Vladimir Sanchez Linares, MINSAP, Cuba

My testimony: I am very grateful to ICDS for this opportunity, it was a fantastic experience, the event program was great, the presentations were excellent, everything was very well organized, the organizing committee was always willing to help, particularly They always helped me a lot during this time, thank you, thank you very much for everything. see you ICDS 2025!!!

“

Andres Felipe Gonzalez Zapata, Cooperative University of Colombia, Colombia

This conference was a very enriching experience. Sharing knowledge with very qualified professionals fulfil all areas of infectious diseases. It deserves to be carry out again. Thanks to all the support staff that made this event possible.

“

Shirin Cantillon, Warwick Medical School, UK

The conference was a great opportunity to meet academics from all over the world and listen to interesting work. Although it was a very small conference, it was a good mix of in person and online presentations. I would recommend it for anyone who enjoys infectious disease.

“

Srinivasa Rao Pundru, Mahatma Gandhi Institute of Technology, India

The quality of talks at ECRG 2024 is good. Almost all scientific topics which are discussed in this event are very much useful in professional development of researchers. The scientific committee did a good job in selecting the speakers as well as in conducting the event of ECRG 2024.

“

Weihong He, Sichuan University, China

The talks are interesting and the conference is well organized, providing an excellence platform to meet new people from different parts of the world in the field of Green Chemistry.

“

Aree Saeed Mustafa, American University of Kurdistan, Iraq

I am presently serving as an Assistant Professor of Department of Accounting of Duhok University. I am very thankful to my management who gave me opportunity to attend this conference as a speaker. Global Entrepreneurship Summit Conference was awesome and it was a great experience for me.
